Wondering about the concept of "church planting" and how it is done among an unreached people group? Next Sunday (March 10) come and learn with Tairin VT about why she is getting trained this fall at Radius International in Tijuana and how that training will enable her to, Lord willing, bring the gospel where it hasn't been. We will watch a brief 30 minute video telling the story of the current President of Radius' church planting story and have a Q & A time after about Tairin's specific ministry goals. To accommodate everyone, we will do a showing at 8:20 AM before the service and again immediately after the morning service at 10:45AM, both in the Agape Room.
