April is one of my favorite months; not just because spring is in full swing but also because of Easter. Easter is just a couple weeks away! This month's song of the month will be familiar to most of you. In fact, we have sung it in the past. We are choosing to focus on this song this month because of its strong connection to Easter. I am looking forward to us learning this song better and being able to worship like it's Easter all year around! Soli Deo Gloria! -Gabby

**Forever (We Sing Hallelujah)**

<p>Vs. 1: The moon and stars they wept the morning sun was dead The Savior of the world was fallen His body on the cross His blood poured out for us The weight of every curse upon Him</p> <p>Vs. 2: One final breath He gave As heaven looked away The Son of God was laid in darkness A battle in the grave The war on death was waged The power of hell forever broken</p>	<p>Pre-Chorus: The ground began to shake The stone was rolled away His (perfect) (reckless) love could not be overcome Now death where is your sting Our resurrected King Has rendered you defeated</p> <p>Chorus: Now forever He is glorified Forever He is lifted high And forever He is risen He is alive and He is alive</p>
