God of love and hope,  
 you made the world and care for all creation,  
 but the world feels strange right now.  
 The news is full of stories about coronavirus.  
 Some people are worried that they might get ill.  
 Others are anxious for their family and friends.  
 Be with them and help them to find peace.  
 We pray for the doctors and nurses and scientists,  
 and all who are working to discover  
 the right medicines to help those who are ill.  
 Thank you that even in these anxious times,  
 you are with us.  
 Help us to put our trust in you and keep us safe. Amen.

*-from the Church of England*

We are not people of fear:  
 we are people of courage.  
 We are not people who protect our own safety:  
 we are people who protect our neighbors' safety.  
 We are not people of greed:  
 we are people of generosity.  
 We are your people God, giving and loving,  
 wherever we are, whatever it costs  
 for as long as it takes wherever you call us. Amen.
