

Letter #12 >> September 18, 2020

Dear Trinity family,

We are indeed grateful to be able to gather for worship on Sunday as well as to hold Sunday School classes. However, due to the increase in the number of new daily positive tests in Sioux County, we seek to practice mitigation strategies as we navigate these times in order to provide a safe place at Trinity.

This Sunday, we will be providing:

- more seating to our outer wings in order to provide more space in the center section for those who are vulnerable and those who seek to maintain the 6 feet physical distance.
- seating in the fellowship area for those who may feel more comfortable with more space.

At this time, nursery will continue to be offered along with our Sunday School classes.

Please stay at home if you are not feeling well or if you are exposed to someone with a positive COVID test. You are welcome to wear a face covering to help protect others. We urge you to practice frequent handwashing and as best as possible, practice physical distancing.

Thank you for your on-going efforts and prayers during these times as we lean on our Lord to guide us through.
