DID YOU KNOW?

As God used all the pastors that He sent to Trinity over the years to build His Church, so He used different leaders in what we called our "Consistory" back in the 70's. Shortly after the "Council" was chosen back on September 30, 1970, it became obvious that there was a need for more leaders for this growing church and a special "Congregational Meeting" was held to add another elder and deacon to the group.

FIRST CONSISTORY

We are very thankful for ALL the people God has used in the last 50+ years to grow and build His Church! We give special thanks to Arlene VanHolland who began our church library with Madelyn Terpstra and also began making scrap-books of Trinity's growth! She has recently put them in new books so that they can be displayed and has been helping with the posters that are being made. The anniversary committee is very thankful for the history that has been saved through scrap-books, newsletters and bulletins that have been saved for 50 years!
