

MEMORIES FROM BOBBY & BONITA VAN OTTERLOO

Bobby and Bonita Van Otterloo moved to Sioux Center in August of 2016. Bobby started as Lead Pastor at New Life Church in September of that same year. Bonita is the Marketing Director at Peoples Bank and continues to work in Rock Valley. Olivia is 15 and a sophomore at Sioux Center High School. Peyton is 12 and a 7th grader at Sioux Center Middle School.

We have many special memories of our time at Trinity:

Bobby: Being ordained at Trinity was very special to me and our family. I'll always remember so many of the Trinity council members coming to my senior exams and supporting me. I really enjoyed serving with Pastors Mark and Stan and the rest of the staff.

Bonita: I think this goes for both Bobby and I, but we really enjoyed working with CREW and Senior Sunday School. Memorable youth serve trips include Argentine, The Chicago Project, and Rocky Mountain High. It was also a joy to see many of these students make profession of faith.
