From your Council and Staff	<ul style="list-style-type: none"> Today is both Cadet Sunday and Sanctity of Human Life Sunday. We will celebrate the Cadets' ministry in the morning and welcome guest preacher, Pastor Kyle Dieleman. This evening, Dr. Brad Kamstra will give a message about the inherent value of life. We are looking for 1 more person to deliver the bulletin and church mail once a month on Friday afternoons to our members in area care homes. If you are interested, please contact Dianne De Wit at 712-541-3700. This evening we will be hosting a free public showing of <i>Gridshock: a film about sex trafficking in Iowa</i>. This will begin at 6:30pm. Next Sunday we'll welcome Robin's School of Dance as they offer a liturgical dance at 9:25am, right before the start of our morning service. They will need to leave after that as they will be traveling to another church to do the same thing there. Girls from Trinity CRC on the dance team include Charlotte Blom, Haley De Groot, Abby Kooima, Lydia Kooima, Bella Krommendyk, Katie Saeger, and Ella Rozeboom. Next Sunday evening we'll enjoy singing Gospel music, being encouraged through the words and music that are centered around the Good News that Jesus lives!
Faith Formation	<ul style="list-style-type: none"> We invite you to join us as we dive into the book "<i>Liturgy of the Ordinary</i>" by Tish Harrison Warren. Our study will meet again in the Agape Room after the service during Sunday school today. Join for fellowship and thoughtful discussion. All are welcome—we'd love to see you there!
	<ul style="list-style-type: none"> VOLUNTEERS NEEDED FOR LOVE INC CLASSES: If you have a heart for helping others, we have opportunities for you to give of your time and talents! The main needs are childcare volunteers and Faith & Finance mentors. Training is offered. Please call the Love INC office (476-5990) to find out more about ways to serve your community! Our next class session begins January 28, 2025.
CRC	<ul style="list-style-type: none"> Thinking about the sanctity of life, how can you explore a holistic ethic of life? Consider the unborn, people with disabilities, people struggling with mental health, and end of life issues. What's one positive thing you can do in connection with these issues?
